

## CSC311 Theory of Computation Assignment 1

**Submit** the following problems on separate pages, one question per page, in the order of the questions. **Your presentation should facilitate easy reading and understanding. Your answer submission must be in PDF or docx format and should be in the order of the questions in a linear top-down fashion.** No handwritten work would be accepted. Any out of order answer will be skipped. Points will be deducted if the submitted work is not to abide by this standard.

---
